COMMUNITY RELATIONS IS ROLLING IN STYLE

The Community Relations Unit is making a mark in style. Their new van will enable them to be more prominent within the community, and provide a positive outlook for the Temple University as a whole.

NEW TO THE TEAM

Say hello to our newly hired Dispatchers! Pictured above from left to right is Lt. Barbara Irby, Sydney Campbell, Jeanne Avery, Gregory Felder and Janee Phillips. Also give a warm welcome to our new Security Officers, Janet Edmonds, Cassandra Rawls, Lorraine King, Amanda Lopez, Tony Pham and Regine Johnson!!

10 YEARS OF SERVICE

Thank you to TU EMS for your 10 years of dedicated service to the university community. Our hats go off to these student volunteers, who are committed to helping the well-being of others. Also, congratulations to Catherine Gibbs on becoming the new Director of TU EMS!

OEM'S "POD"CAST

On 4/11/18, the Office of Emergency Management facilitated Temple University’s first ever Point of Dispensing (POD) exercise. PODs are established when there is an infectious disease outbreak. They are designed for mass distribution of prophylactic medication in the shortest amount of time. Temple students from Nursing, School of Pharmacy, and the School of Medicine, as well as staff and student members of the TU Volunteer Response Corps, practiced roles that would be enacted in an actual POD event.
